Tewksbury, D. (1993). It looks exciting but what do I do with it?: An exploratory investigation of videotex system attribute dimensions. Presented at the annual meeting of the Midwest Association for Public Opinion Research, Chicago, IL, November 1993.

GRANT ACTIVITY

Research Board Grant (\$5,430), University of Illinois at Urbana-Champaign Campus Research Board, University of Illinois at Urbana-Champaign, 2005. Funding used for "The impact of video source labeling on the perceived credibility of the news," David Tewksbury, principal investigator.

Research Board Grant (\$16,133), University of Illinois at Urbana-Champaign Campus Research Board, University of Illinois at Urbana-Champaign, 2003. Funding used for "The Internet as specialized information environment," David Tewksbury, principal investigator.

Research Board Grant (\$8667), University of Illinois at Urbana-Champaign Campus Research Board, University of Illinois at Urbana-Champaign, 2001. Funding used for "The audience for online news: What the habits of Internet users tell us about Americans and the news," David Tewksbury, principal investigator.

Research Board Grant (\$8963), University of Illinois at Urbana-Champaign Campus Research Board, University of Illinois at Urbana-Champaign, 1998. Funding used for "Potential changes in the

social functions of the press: A study of the effects of exposure to news on the World Wide Web,” David Tewksbury, principal investigator.

Research Grant (\$2400), Marsh Research Center for the Study of Journalistic Performance, Department of Communication Studies, University of Michigan, 1996. Funding used for “Motivations, moods, and watching the news: The impact of news processing goals and affective states on the evaluation of political actors,” David Tewksbury, principal investigator.

Rackham Dissertation Research Grant (\$1250), Horace H. Rackham School of Graduate Studies, University of Michigan, 1995-96. Funding used for “Motivations, moods, and watching the news: The impact of news processing goals and affective states on the evaluation of political actors,” David Tewksbury, principal investigator.

AWARDS AND HONORS

Outstanding Educator Award, Social and Behavioral Research Council, University of Illinois at Urbana-Champaign, 2013.

Mass Communication Division Teaching Award, National Communication Association, 2010.

Top paper in political communication, Perusing candidate web sites: The effects of viewing selected content on candidate reports (co-authored with J. Rittenberg). Political Communication Division, National Communication Association annual meeting, 2008.

Campus Award for Excellence in Undergraduate Teaching, University of Illinois at Urbana-Champaign, 2005.

LAS Dean’s Award for Excellence in Undergraduate Teaching, University of Illinois at Urbana-Champaign, 2005.

Top faculty paper, Online news viewing patterns in a national sample of Internet users. Mass Communication Division, International Communication Association annual meeting, 2002.

Paul Lazarsfeld Award for best paper in political communication, Agenda setting and the “new” news (co-authored with S. L. Althaus). American Political Science Association annual meeting, 2000.

Top three paper, How others are affected by the Internet: The role of reference group size in the third-person effect. Mass Communication Division, National Communication Association annual meeting, 1999.

Top three paper, News values and public opinion: A theoretical account of media priming and framing (co-authored with V. Price). Political Communication Division, International Communication Association annual meeting, 1995.

CLASSES TAUGHT

University of Illinois at Urbana-Champaign

CMN 277: Introduction to Mediated Communication

CMN 496: Social Effects of New Communication Technology

CMN 529: News and Politics

CMN 529: Social Cognition and Communication
