EDUCATION

- | | | |
|------------|---|---------------|
| PhD | University of Texas at Austin, Communication Studies
Emphasis: Interpersonal Communication | August 2013 |
| MA | Arizona State University, Communication
Thesis: Family Communication | May 2009 |
| BA | Arizona State University, Communication
Graduated Magna Cum Laude
Minor in Sociology | December 2006 |

PROFESSIONAL EXPERIENCE

- | | |
|---|--|
| University of Illinois Urbana-Champaign, Urbana, IL
Associate Professor, Dept. of Biomedical & Translational Sciences
Associate Professor, Department of Communication
Assistant Professor, Department of Communication | September 2021 – Present
August 2021 – Present
July 2018 – August 2021 |
| Ohio University, Athens, OH
Assistant Professor, School of Communication Studies | August 2013 – July 2018 |
| University of Texas at Austin, Austin, TX
Teaching Assistant, Department of Communication Studies
Assistant Instructor, Department of Communication Studies | August 2009 – May 2013
May 2011 – May 2013 |
| Arizona State University, Tempe, AZ
Teaching Assistant, Hugh Downs School of Human Communication
Assistant Instructor, Student Success Center, Summer Bridge Program
Assistant Instructor, Hugh Downs School of Human Communication | August 2007 – May 2009
Summer 2008, 2009, 2010
Spring 2008 |

HONORS AND AWARDS

- | | |
|---|---------------|
| Top Six Paper
Health Communication Division, National Communication Association | November 2022 |
| Norman P. Jones Professorial Scholar
University of Illinois at Urbana-Champaign | 2022 – 2025 |
| Helen Corley Petit Scholar
University of Illinois at Urbana-Champaign | 2021 – 2022 |
| LAS Impact Award (COVID-19)
University of Illinois at Urbana-Champaign | Spring 2021 |

Top Five Paper Health Communication Division, National Communication Association	November 2020
List of Teachers Ranked as Excellent 2022 University of Illinois at Urbana-Champaign	Fall 2018, 2021, 2022; Spring 2020,
List of Teachers Ranked as Outstanding (top 10%) University of Illinois at Urbana-Champaign	Fall 2019, 2020; Spring 2019, 2021
Ohio Faculty Newsmaker – 8th highest among faculty at Ohio University Celebrating OHIO faculty members who made headlines during 2016, Ohio University	Fall 2017
Top Four Paper Applied Communication Division, Southern States Communication Association	April 2016
New Member Representative Nominee International Association for Relationship Research	June 2014
Outstanding Teaching Assistant Department of Communication Studies, University of Texas at Austin	May 2012
Top Four Paper Family Communication Division, National Communication Association	November 2011
Outstanding First Year Graduate Student Department of Communication Studies, University of Texas at Austin	May 2010
Recruitment Fellowship Department of Communication Studies, University of Texas at Austin	August 2009 – May 2011
Teaching Excellence Award Graduate Student Professional Association, Arizona State University	March 2009
Teaching Excellence Award Nominee Graduate Student Professional Association, Arizona State University	March 2008

SCHOLARSHIP

My research explores health communication in personal and patient-provider relationships. I study how people in personal relationships navigate illness uncertainty and uncertain illnesses, primarily those conditions such as mental illness and chronic pain that are not visible, not well understood, and associated with stigma and doubt. I also develop and implement educational trainings for medical students and physicians centered on uncertainty management, including implicit bias.

Thompson, C. M., Bishop, M. J., Vogiatzis, C., & Kataria, K. (Funded, January 2022). *Healing Healthcare Disparities among BIPOC Patients through Virtual Reality Cultural Competency Training*. \$74,892. Jump ARCHES funding mechanism, The Health Care Engineering Systems Center, University of Illinois. Co-Investigator. Primary Investigator.

Mostafa, W....Thompson, C. M. (Funded, January 2022). *Prospective observational study: Identification of brain micrometastatic disease using ultra-high field magnetic resonance imaging*. \$52,666. Jump ARCHES funding mechanism, The Health Care Engineering Systems Center, University of Illinois. Co-Primary Investigator.

Chiu, C. Y., & **Thompson, C. M.** (Letter of intent, not invited for submission, June 2021). Development and validation of health care communication measures for patients and clinicians: A mixed-methods approach. \$60,000. National Institute for Health Care Management Foundation. Co-Primary Investigator.

Kerr, A. M., **Thompson, C. M.**, Rakowsky, A., Stewart, C., & Mahan, J. D. (Funded, June 2021) *Faculty development training program to improve communication about medical uncertainty in graduate medical education*. \$5000. American Association of Osteopathic Colleges of Medicine. Co-Investigator.

Fields, V. T., Bencivenga, S. V., Bishop, M. J., & **Thompson, C. M.** (Funded, April 2021). *Healing Healthcare Disparities among BIPOC Patients through Virtual Reality Cultural Competency*. \$10,000. Health Make-a-Thon Competition, Carle Illinois College of Medicine.

Kerr, A. M., & **Thompson, C. M.** (Funded, November 2020). *Developing and testing a communication skills training program to improve pediatricians' family-centered conversations about medical uncertainty*. \$14750. Research Cultivation Grant, National Communication Association. Co-Primary Investigator.

Thompson, C. M., & Arnold, P. M. (Funded, October 2019). *Chronic pain patients and links to interaction outcomes: A pre- and post-consultation study*. \$29337. Campus Research Board, University of Illinois. Primary Investigator.

Thompson, C. M., Broecker, J., Nottingham, K., & Dade, M. (Funded, May 2016). *Health providers' knowledge, attitudes, and barriers to placement of long-acting reversible contraceptives*. \$8000. Heritage College of Osteopathic Medicine. Primary Investigator.

Myers, T., Kuruppallil, Z., Rosado Feger, A., Taylor-Bianco, A., Glazer, J., Martin, H. J., & **Thompson, C. M.** (Funded, January 2016). *SmartWorks for Enterprise Innovation*. \$20,000. Ohio University; Ohio University Innovation Strategy Planning Grant.

Manning, J., & **Thompson, C. M.** (Funded, January 2015). *Communication and healthcare for transgender people: Terminology, interaction, technology, and information*. \$6912. National Communication Association; Public Policy Working Groups funding mechanism.

Thompson, C. M., Broecker, J., Nottingham, K., Berry, A., Balbo, J., Duval, K., Gerome, J., Hamel-Lambert, J., Kerwin, K., Lee, S., & Meeks, S. (Unfunded, October 2015). *Health providers'*

knowledge, attitudes and barriers to placement of long-acting reversible contraceptives. \$8000. Ohio University; Ohio University Research Committee (OURC).

Romo, L. K., & **Thompson, C. M.** (Unfunded, Submitted June 2014). *Linking social networking site use and problematic drinking in college students: Motivations, individuals, sites, and strategies.* \$275,000, R21. National Institutes of Health; National Institute on Alcohol Abuse and Alcoholism.

Myers, T., Kuruppallil, Z., Rosado Feger, A., Taylor-Bianco, A., Glazer, J., Martin, H. J., & **Thompson, C. M.** (Unfunded, Submitted July 2015). *SmartWorks for Enterprise Innovation.* \$340,000. Ohio University; Ohio University Innovation Strategy.

CONFERENCE PRESENTATIONS (N = 105)

Kerr, A. M., **Thompson, C. M.**, Rakowsky, A., & Stewart, C. (2023, May). *"I don't want them to not trust me or think I'm incompetent": A longitudinal assessment of resident physicians' goals when communicating with attending physicians about uncertainty.* Paper to be presented at the International Communication Association Convention, Toronto, ON (Remote).

Thompson, C. M., Voorhees, H. L., Taniguchi-Dorios, E., Makos, S., Pool, K., & Babu, S. (2023, April). *Findings of emotional support intervention for non-primary support providers in the context of chronic illness.* Paper to be presented at the DC Health Communication Conference: Fairfax, VA.

Romo, L. K., Abetz, J. S., **Thompson, C. M.**, & Wright, M. (2023, April). *An examination of mothers' sensemaking of "Mommy Drinking Culture."* Poster to be presented at the DC Health Communication Conference: Fairfax, VA.

Thompson, C. M., Babu, S., & Makos, S. (2022, November). *"It does make you feel like you're crazy": Women's experiences of health-related communicative disenfranchisement.* Paper presented at the 108th National Communication Association Convention, New Orleans, LA. Top six paper in the Health Communication Division.

Matrescence: Finding a PLCE for a new self. (2022, November). Panel participant. Panel discussion panel presented at the 108th National Communication Association Convention, New Orleans, LA.

Kerr, A. M., **Thompson, C. M.**, & Duty, K. M. (2022, November). *"I am still learning what works and what doesn't": Medical students' perceptions of communication training during clinical rotations.* Collaboration space panel participant. Presented at the 108th National Communication Association Convention, New Orleans, LA.

Thompson, C. M., Pulido, M. D., Babu, S., Zenzola, N., & Chiu, C-Y. (2022, November). *Communication between persons living with multiple sclerosis and their healthcare providers: A scoping review.* Data blitz presented at the 108th National Communication Association Convention, New Orleans, LA.

Reid, T., **Thompson, C. M.**, & Taniguchi-Dorios, E. (2022, October). *Further examination of the support provision quandary: A repeated measures study of how uncertainty both motivates and disinhibits supporting others with mental illness.* Abstract presented at the 52nd Congress of the German Psychological Society, Hildesheim, Germany.

Kerr, A. M., **Thompson, C. M.**, Rakowsky, A., & Stewart, C. (2022, May). *A longitudinal assessment of pediatric residents' perceptions of shared decision making and communication competence during residency.* Paper presented at the International Communication Association Convention, Paris, France (Hybrid).

Yang, D. B., Smith, A. D., Smith, E., Janbahan, M., Naik, A., **Thompson, C.**, Hassaneen, W. (2022, April-May). *The state of machine learning in outcomes prediction of transsphenoidal surgery: A systematic review*. Poster presented at the 2022 AANS Annual Scientific Meeting, Philadelphia, PA.

Yang, D. B., Smith, A. D., Smith, E., Janbahan, M., Naik, A., **Thompson, C.**, Hassaneen, W. (2022, April). *The state of machine learning in outcomes prediction of transsphenoidal surgery: A systematic review*. Presentation at the 20th Annual Health Innovation Research Day at UIUC, Urbana, IL.

Thompson, C. M., & Kerr, A. M. (2022, April). *Medical students' orientation to preceptor feedback during clinical rotations: Self and group identity influences*. Poster presented at the biannual Kentucky Conference on Health Communication, Lexington, KY.

Thompson, C. M., Makos, S., & Babu, S. (2022, April). *Conceptualizing moral boundary work: Women's communicative labor to be seen as credible witnesses to their health*. Paper presented at the biannual Kentucky Conference on Health Communication, Lexington, KY.

Voorhees, H., Makos, S., Babu, S., Taniguchi, E., & **Thompson, C. M.** (2022, April). *Everyday support provision to individuals with chronic illnesses: A needs assessment*. Paper presented at the biannual Kentucky Conference on Health Communication, Lexington, KY.

Kerr, A. M., Rakowsky, A., Stewart, C., & **Thompson, C. M.** (2022, April). *Piloting an intervention to improve pediatric residents' communication about medical uncertainty*. Oral presentation at the American Colleges of Osteopathic Medicine Annual Conference, Denver, CO.

Hintz, E. A., Afifi, T. D., Koenig Kellas, J., Venetis, M. K., **Thompson, C. M.**, & Minniear, M. C. (2021, November). *Interpersonal health communication: Definitions, challenges, and transformative future possibilities*. Discussion panel presented at the 107th National Communication Association Convention, Seattle, WA.

Thompson, C. M., Kerr, A., Bylund, C., Cusanno, B., Donovan, E., Hoffmann-Longtin, K., Imhausen-Slaughter, D., Pines, R., & Guntzville, L. (2021, November). *Communication medical education training and interventions to transform health care*. Discussion panel presented at the 107th National Communication Association Convention, Seattle, WA.

Kerr, A. M., & **Thompson, C. M.** (2021, November). *A longitudinal examination of third-year medical students' communication competence, communication anxiety, and attitudes toward patient-centered care*. Paper presented at the 107th National Communication Association Convention, Seattle, WA.

Thompson, C. M., Romo, L. K., Pulido, M. D., Liao, D., Kriss, L., & Babu, S. (2021, November). *"I changed, I had to realize that I was wrong": Identity gap management amidst evolving illness uncertainty*. Paper presented at the 107th National Communication Association Convention, Seattle, WA.

Thompson, C. M., Duerringer, C. M., Romo, L. K., & Makos, S. (2021, November). *Personal responsibility, personal shame: A discourse tracing of individualism about health and finances*. Paper presented at the 107th National Communication Association Convention, Seattle, WA.

Krist, D. T., Naik, A., Kwok, S. S., Janbahan, M., Olivero, W. C., **Thompson, C. M.**, Hassaneen, W. (2021, November). *Management of solitary brain metastasis less than 4 cm in diameter. Surgical resection versus stereotactic radiotherapy: A meta-analysis*. Abstract to be presented at the Society for Neuro-Oncology Third Annual Conference on Brain Metastases, Boston, MA.

Smith E. J., Gohil, K., **Thompson, C. M.**, Hassaneen, W. M. (2021, October). *Fluorescein-guided resection of high grade Gliomas: A meta-analysis*. Oral presentation and poster presented at Congress of Neurological Surgeons Annual Meeting, Austin, TX.

Caban, S., Makos, S., & **Thompson, C. T.** (2021, May). *Conceptualizing interpersonal communication in mental health literacy interventions: A systematic review*. Paper presented at the International Communication Association Convention, Denver, CO (Virtual).

Kerr, A. M., **Thompson, C. M.**, Rakowsky, A., Stewart, C., & Mahan, J. (2021, May). “*I want them to still trust me with their child’s care*”: *A longitudinal study of pediatric residents’ reactions to and communication about medical uncertainty across residency*. Paper presented at the International Communication Association Convention, Denver, CO (Virtual).

Taniguchi, E., & **Thompson, C. M.** (2021, May). *Theorizing disclosure outcomes: Testing a model of disclosure, support quality, and well-being (DSW) in the college student mental illness context*. Paper presented at the International Communication Association Convention, Denver, CO.

Kerr, A. M., **Thompson, C. M.** (2021, April). *Longitudinal analysis of third-year medical students’ uncertainty during clinical rotations: An uncertainty management perspective*. Paper presented at the DC Health Communication Conference: Virtual.

Thompson, C. M., Rhidenour, K., Blackburn, K., & Barrett, A. (2021, April). *Crowdsourced medicine in the case of COVID-19 long-haulers: An investigation of language features and functions over time*. Paper presented at the DC Health Communication Conference: Virtual.

Thompson, C. M., Rhidenour, K., Blackburn, K., Weissman, L., Seyid, Y., & Barrett A. (2021, April). “*Most doctors seem to know less than we do*”: *COVID-19 long-haulers’ perspectives on doctors and doctors’ communication*. Poster presented at the DC Health Communication Conference: Virtual.

“You Don’t Have to See It to Believe It: Implications of Chronic Illness Disclosures.” (2021, March). Panel Participant. Discussion panel presented at the 105th annual Central States Communication Association Conference, Cincinnati, OH (Virtual).

Kerr, A. M., **Thompson, C. M.**, Rakowsky, A., Stewart, C., Mahan, J. (2020, November). “*It’s become a little easier to accept that I don’t know what’s going on*.” *First-Year Pediatric Residents’ Reactions to and Communication about Medical Uncertainty*. Paper presented at the 106th National Communication Association Convention, Indianapolis, IN (Virtual). **Top five paper in the Health Communication Division.**

Lammers, J. C., **Thompson, C. M.**, Wallon, R. C., Bell, S., Bencivenga, S., Kelpinski, L., & Pulido, M. (2020, November). *Hybridity by design: Managing institutional complexity by transforming profession in the case of Physician Innovators*. Paper presented at the 106th National Communication Association Convention, Indianapolis, IN (Virtual).

Romo, L. K., & **Thompson, C. M.** (2020, November). *An examination of how people manage financial uncertainty due to health care costs*. Paper presented at the 106th National Communication Association Convention, Indianapolis, IN (Virtual).

Thompson, C. M., Romo, L. K., *Pulido, M. D., *Liao, D., *Kriss, L., & *Babu, S. (2020, November). “*Pulling all the puzzle pieces together*”: *Reconceptualizing the experience and management of uncertainty as sensemaking*. Paper presented at the 106th National Communication Association Convention, Indianapolis, IN (Virtual).

Kerr, A. M., **Thompson, C. M.**, & Chavan, B. (2020, May). *A longitudinal analysis of third-year medical students' tolerance of and reactions to medical uncertainty during clinical rotations*. Paper presented at the International Communication Association Convention, Gold Coast, Australia (Virtual).

Thompson, C. M., Romo, L. K., Pulido, M. D., Liao, D., & Babu, S. (2020, April). *What happens when illness becomes a reality?: Individuals' evolving uncertainty management about family members' health*. Paper presented at the biannual Kentucky Conference on Health Communication, Lexington, KY (Virtual).

Thompson, C. M., Pulido, M. D., & Caban, S. (2020, April). *Why is it difficult to support others living with mental illnesses? Linking mental illness uncertainty to support provision*. Paper presented at the biannual Kentucky Conference on Health Communication, Lexington, KY (Virtual).

Lammers, J. C., **Thompson, C. M.**, Wallon, R. C., Bell, S., Kelpinski, L., Yang, E., Campbell, A., Pulido, M., Bencivenga, S., & MacSwain, C. (2020, March). *Hybridity by design: Managing institutional complexity by transforming profession*. Abstract presented at the 16th Workshop on New Institutionalism in Organization Theory, Odense, Denmark.

Thompson, C. M., Parsloe, S., & Acevedo-Callejas, M. (2019, November). *I don't believe it, but I don't wanna insult him": Dilemmas in responding to family members with doubtful health conditions*. Paper presented at the 105th annual National Communication Association Convention, Baltimore, MD.

Thompson, C. M., & Duerringer, C. M. (2019, November). *A thematic and critical analysis of why individuals contest family members' health complaints: Discourses, Foucault, and the enlightenment subject*. Paper presented at the 105th annual National Communication Association Convention, Baltimore, MD.

Taniguchi, E., & **Thompson, C. M.** (2019, November). *Mental illness self-disclosure: A pre-requisite of social support or a booster of social support benefits?* Paper presented at the 105th annual National Communication Association Convention, Baltimore, MD.

"Exploring critical interpersonal communication topics through classroom research projects." (2019, November). Panel Participant. Discussion panel presented at the 105th annual National Communication Association Convention, Baltimore, MD.

Kerr, A. M., **Thompson, C. M.**, Rakowsky, A., Stewart, C., Mahan, J. (2019, October). *First-year pediatric residents' medical communication competence, shared decision making, and perceptions of parent trust*. Poster presented at the International Conference on Communication in Healthcare: San Diego, CA.

Lin, H., & **Thompson, C. M.** (2019, May). *An application of anxiety and uncertainty management theory in a cross-cultural patient-provider context*. Paper presented at the International Communication Association Convention: Washington, DC.

Kerr, A. M., **Thompson, C. M.**, Rubinsky, V., & Walker, T. (2019, May). *Third-year medical students' attitudes toward patient-centered communication: Exploring the transition from pre-clinical to clinical education*. Paper presented at the International Communication Association Convention: Washington, DC.

Kerr, A. M., **Thompson, C. M.**, Rakowsky, A., Stewart, C., & Mahan, J. (2019, April). *First-year pediatric residents' communication about medical uncertainty: A multiple goals approach*. Paper presented at the DC Health Communication Conference: Fairfax, VA.

Kerr, A. M. **Thompson, C. M.**, Rubinsky, V., & Walker, T. (2019, April). *Pre-clinical medical students' group identification, feelings of impostor phenomenon, and links to feedback orientation*. Poster presented at the DC Health Communication Conference: Fairfax, VA.

*Dade, M., **Thompson, C. M.**, & Broecker, J. (2019, April). *How LARC knowledge, training, and provider concerns predict referrals and placement: A study of providers in Ohio*. Poster presented at the Ohio Osteopathic Symposium: Columbus, OH.

Amstadt, R., Hernandez, L., Barrick, C., Hampton, T., Snyder, S., Kerr, A. M., **Thompson, C. M.**, & Bates, B. (2019, April). *Providers' willingness to communicate about weight control and links to patients' attitudes about and intentions to control their weight*. Poster presented at the Ohio Osteopathic Symposium: Columbus, OH.

Kerr, A. M. **Thompson, C. M.**, Rubinsky, V., & Walker, T. (2019, April). *Osteopathic medical students' emotional intelligence before starting clinical rotations*. Abstract accepted for presentation at the American Association of Colleges of Osteopathic Medicine Conference: Washington, DC.

Thompson, C. M., Romo, L. K., Owens, M., & Ben-Israel, P. (2018, November). *Quit playing games and break up already: An exploratory study of social network members' responses to friends' break up false alarms*. Paper presented at the 104th annual National Communication Association Convention, Salt Lake City, UT.

"All work and no play: Women's stress and relational work across health contexts." (2018, November). Panel Participant. Discussion panel presented at the 104th annual National Communication Association Convention, Salt Lake City, UT.

Thompson, C. M., & Parsloe, S. (2018, November). *"I don't claim to be the world's foremost expert, but...": How individuals construct epistemologies of another's illness*. Paper presented at the 104th annual National Communication Association Convention, Salt Lake City, UT.

Collins, J. W., & **Thompson, C. M.** (2018, October). *The bodies that are home to our rational minds: Questioning the quantification of violence to female bodies*. Paper presented at the Organization for the Study of Communication, Language, and Gender, South Lake Tahoe, CA.

Thompson, C. M., Hudak, N., Lippert, A., & Blackburn, K. (2018, April). *How emerging adults talk about their parents' chronic health issues: Comparing mental and physical illnesses*. Paper presented at the biannual Kentucky Conference on Health Communication, Lexington, KY.

Thompson, C. M., & Parsloe, S. (2018, April). *"I'm not a doctor, but...": How lay individuals construct an epistemology of another's illness*. Poster presented at the biannual Kentucky Conference on Health Communication, Lexington, KY.

Lin, H., & **Thompson, C. M.** (2018, April). *Construal level, temporal distance, anxiety and uncertainty: Exploring patient-provider communication in a cross-cultural context*. Poster presented at the biannual Kentucky Conference on Health Communication, Lexington, KY.

Kerr, A.M., & **Thompson, C. M.** (2018, April). *Pediatric residents' perceptions of medical uncertainty and communication during graduate medical education*. Paper presented at the biannual Kentucky Conference on Health Communication, Lexington, KY.

Kerr, A.M., & **Thompson, C. M.** (2018, April). *Understanding the memorable messages parents of children with vascular birthmarks receive*. Poster presented at the biannual Kentucky Conference on Health Communication, Lexington, KY.

Duerringer, C. D., & **Thompson, C. M.** (2018, February). *Of juice cleanses and detoxes: Guilt and purification in the rhetoric of clean eating*. Paper presented at the 89th annual Western Communication Association Convention, Santa Clara, CA.

Thompson, C. M., Frisbie, A., Hudak, N., Okamoto, K., & Bell, S. (2016, November). *“Understanding” as support for emerging adults whose parents have chronic health conditions: A lifespan communication perspective*. Paper presented at the 102nd annual National Communication Association Convention, Philadelphia, PA.

Thompson, C. M., Lin, H., & Parsloe, S. (2016, November). *Sources of credibility lost when individuals cry wolf about their health: An adaptation and replication of the false alarm effect*. Paper presented at the 102nd annual National Communication Association Convention, Philadelphia, PA.

Thompson, C. M., Frisbie, A., Hudak, N., Okamoto, K., & Bell, S. (2016, July). *The meanings of “support” for emerging adults whose parents have chronic health conditions: A lifespan perspective*. Poster presented at the International Association for Relationship Research Conference, Toronto, Ontario.

Thompson, C. M., Lin, H., & Parsloe, S. (2016, July). *The false alarm effect: Parsing the sources of credibility lost when individuals cry wolf about their health*. Poster presented at the International Association for Relationship Research Conference, Toronto, Ontario.

Scheinfeld, E. N., & **Thompson, C. M.** (2016, July). *Exploring emerging adults' decision to disclose a sexually transmitted infection to parental figures for the purpose of social support: The role of shame, stigma, and family communication patterns*. Research presented at the International Association for Relationship Research Conference, Toronto, Ontario.

Thompson, C. M., Bell, S., Frisbie, A., Hudak, N., & Okamoto, K. (2016, April). *Emerging adults supporting parents with chronic health conditions: A turning point analysis*. Paper presented at the biannual Kentucky Conference on Health Communication, Lexington, KY.

Thompson, C. M., & Romo, L. K. (2016, April). *Exploring the role of computer-mediated communication competence in buffering against the negative effects of alcohol-related social networking site usage*. Paper presented at the 86th annual Southern States Communication Association Convention, Austin, Texas.

Thompson, C. M., & Romo, L. K. (2016, April). *College students' drinking and posting about alcohol: Forwarding a model of motivations, behaviors, and consequences*. Paper presented at the 86th annual Southern States Communication Association convention, Austin, Texas. **Top four paper in the Applied Communication Division.**

Romo, L. K., & **Thompson, C. M.** (2016, April). *College drinkers' privacy management of alcohol posts on social networking sites*. Paper presented at the 86th annual Southern States Communication Association convention, Austin, Texas.

“Theorizing social support: Foundations, current research, and future directions.” (2016, April). Panel Participant. Discussion panel presented at the annual Central States Communication Association conference, Grand Rapids, MI.

Thompson, C. M., Parsloe, S., Lin, H., & Valaitis, D. (2015, November). *Crying wolf and questionable health conditions: The false alarm effect and the mediating role of health condition credibility*. Paper presented at the 101st annual National Communication Association Convention, Las Vegas, NV.

Broecker, J., Jurich, J., & **Thompson, C. M.** (2015, October). *Mother and daughter attitudes toward and communication about contraception*. Poster presented at the North American Primary Care Research Group Annual Meeting, Cancun, Mexico.

Thompson, C. M., & Romo, L. K. (2015, May). *College communicative risk factors for drinking consequences as a result of alcohol-related social networking site usage*. Research presented at the 65th annual International Communication Association Convention, San Juan, Puerto Rico.

Taniguchi, E., & **Thompson, C. M.** (2015, May). *Family communication and body dissatisfaction among young adult females: Mediating effects of social competence*. Paper presented at the 65th annual International Communication Association Convention, San Juan, Puerto Rico.

Scheinfeld, E. N., & **Thompson, C. M.** (2015, May). *"I would never tell my parents that!": Using the health disclosure decision-making model to understand emerging adults' decisions to disclose sexually transmitted illnesses to parents*. Paper presented at the 65th annual International Communication Association Convention, San Juan, Puerto Rico.

"Facets of forgiveness: Converging NCA faculty institute discussions and future directions of forgiveness research." (2015, April). Panel Participant. Discussion panel presented at the annual Central States Communication Association Conference, Madison, WI.

"Revolutionizing collaboration: Faculty and graduate student perspectives on models that exemplify the convergence of research and teaching. (2015, April). Panel Participant. Discussion panel presented at the annual Central States Communication Association Conference, Madison, WI.

Thompson, C. M., Crook, B., & Love, B. (2014, November). *Understanding how adolescents and young adults with cancer talk about needs in online and face-to-face support groups: Language descriptions and comparisons*. Paper presented at the 100th annual National Communication Association Convention, Chicago, IL.

Thompson, C. M., & Vangelisti, A. L. (2014, November). *What happens when the standard for openness goes unmet in relationships? Cross-sectional analyses of stress, coping, and relational consequences*. Paper presented at the 100th annual National Communication Association Convention, Chicago, IL.

Donovan, E., **Thompson, C. M.**, LeFebvre, L., & Tollison, A. C. (2014, November). *Young adult confidants' judgments of parental openness: Developing a model of disclosure quality and post-disclosure relational closeness*. Paper presented at the 100th annual National Communication Association Convention, Chicago, IL.

"Negotiating work-life balance: Advice from five female tenure-track professors on managing careers, family, relationships, and their sanity." (2014, November). Panel Participant. Discussion panel presented at the 100th annual National Communication Association convention, Chicago, IL.

Thompson, C. M., & Vangelisti, A. L. (2014, July). *Stress and coping with unfulfilled standards for openness in romantic relationships*. Paper presented at the International Association for Relationship Research Conference, Melbourne, Australia.

Daly, J. A., & **Thompson, C. M.** (2014, July). *Self-perceived persuasiveness and links to personality*. Poster presented at the International Association for Relationship Research Conference, Melbourne, Australia.

Thompson, C. M., Crook, B., & Love, B. (2014, April). *A linguistic analysis (LIWC) of how young adults with cancer frame certain topics in online and offline support communities*. Poster presented at the biannual Kentucky Conference on Health Communication, Lexington, KY.

Love, B., **Thompson, C. M.**, & Crook, B. (2013, June). *“Well, life isn’t ever going to be the same as before cancer, so why would our bodies be?”: Work as a means of navigating nutrition and exercise concerns in an online cancer community*. Paper presented at the International Communication Association Convention, London, United Kingdom.

Zaitchik, S., & **Thompson, C. M.** (2013, April). *Locus, stability, and controllability: Parent-child attributions and communication about weight*. Research in progress presented at the Eastern Communication Association Convention, Pittsburgh, PA.

Love, B., Moskowitz, M. C., Crook, B., **Thompson, C. M.**, Donovan-Kicken, E., Stegenga, K., Macpherson, C. F., & Johnson, R. H. (2012, November). *Defining adolescent and young adult (AYA) exercise and nutrition needs: Concerns communicated in a digital cancer support community*. Poster presented at Critical Mass: The Young Adult Cancer Alliance Annual Conference, Atlanta, GA.

Thompson, C. M., Vangelisti, A. L., Hansen, R., & Neumann, M. (2012, July). *The moderating role of family communication standards on the relationship between family communication patterns and family satisfaction*. Paper presented at the International Association for Relationship Research Conference, Chicago, IL.

Dailey, R. M., **Thompson, C. M.**, & Romo, L. K. (2012, July). *Mother-teen communication about weight management: The role of confirmation in promoting healthy behaviors*. Paper presented at the International Association for Relationship Research Conference, Chicago, IL.

Love, B., Crook, B., **Thompson, C. M.**, Zaitchik, S., Knapp, J., Lefebvre, L., Donovan, E., Jones, B., Eargle, E., & Rechis, R. (2012, May). *“Am I alone in this?”: Informing new support strategies by evaluating the communication themes of an online support community for young adult cancer survivors*. Paper presented at the Association of Oncology Social Work 28th Annual Conference, Boston, MA.

Thompson, C. M., Romo, L. K., & Dailey, R. M. (2012, April). *Effective weight management influence messages in romantic relationships*. Paper presented at the 82nd annual Southern States Communication Conference, San Antonio, TX.

Donovan-Kicken, E., **Mooney, C.**, Lefebvre, L., & Tollison, A. C. (2011, November). *Young adult confidants’ flashbulb memories of important parental disclosures: Message components that characterize successful boundary management*. Paper presented at the 97th annual National Communication Association convention, New Orleans, LA. **Top four paper in the Family Communication Division.**

Mooney, C. (2011, November). *Attributions of weight and willingness to help in close relationships: The mediating role of emotions*. Paper presented at the 97th annual National Communication Association Convention, New Orleans, LA.

Dailey, R. M., Romo, L. K., & **Mooney, C.** (2011, May). *Weighty conversations: The role of confirmation in couples' weight management*. Paper presented at the 61st annual International Communication Association Convention, Boston, MA.

Brody, N., & **Mooney, C.** (2011, April). *Filling the empty nest: Uses of online social networks and loneliness in middle-aged adults*. Paper presented at the 81st annual Southern States Communication Conference, Little Rock, AR.

Mooney, C., & Brody, B. (2011, April). *The influence of attributions on affect and willingness to help an overweight or obese sibling*. Paper presented at the 81st Annual Southern States Communication Conference, Little Rock, AR.

Mooney, C. (2011, April). *New directions for emotions research: A nonverbal approach*. Panel: Nonverbal communication in the modern age: An exploration of emerging research contexts. Panel presented at the annual Eastern States Communication Conference, Washington, DC.

Mooney, C. (2010, November). *"My heart goes out to you": Compassion in an empathic blog community following the loss of a child*. Paper presented at the annual National Communication Association Conference, San Francisco, CA.

Donovan-Kicken, E., **Mooney, C.**, LeFebvre, L., & Tollison, A. C. (2010, April). *"Our lives are all about to change": Young adult children's perspectives on parental disclosures about health, illness, and death*. Paper presented at the biannual Kentucky Conference on Health Communication, Lexington, KY.

Mooney, C. (2009, November). *What can I fit in a suitcase?: On moving to pursue a doctorate*. Poster presented at the 95th annual National Communication Association Conference, Chicago, IL.

Mooney, C. (2009, November). *Media and acculturation: Immigrant internet use moving toward cultural pluralism*. Paper presented at the 95th annual National Communication Association Conference, Chicago, IL.

Brody, N., **Mooney, C.**, Westerman, S., & McDonald, P. (2009, February). *Its gt 2gthr l8r: Text messaging as a relational maintenance tool*. Paper presented at the 80th annual Western States Communication Association Convention, Mesa, AZ.

Arizona State University

- COM 100: Introduction to Human Communication
- COM 225: Public Speaking

GRADUATE ADVISING EXPERIENCE

Doctoral Advisor

- Emily Gerlikovski
- Sara Babu
- Sarah Bell (expected 2024), information provision in patient-provider interactions
- Shana Makos (expected 2023), belonging, equity, and inclusion in sports and fitness
- Hengjun Lin (2018), anxiety/uncertainty mgmt. in patient-provider interactions
 - Tenure track faculty member at Utah Tech University
- Leah Szalai (2015; co-advisor w/ Dr. Amy Chadwick), Advanced care directives

Doctoral Committee Member, University of Illinois

- Manuel Pulido (2022)
- Danni Liao (2022)
- Laura Quintero (expected 2023)
- Daniel Hartman (expected 2024)
- Kelpinski, L. (expected 2023)
- Rachel Rusen (Anthropology, expected 2024)
- Caban, S. (expected 2024)

Doctoral Program of Study Member, University of Illinois

- Pool, K. (expected 2025)
- Caban, S. (expected 2024)
- Farnworth, M. (expected (2023))
- Hartman, D. (expected 2024)
- Kelpinski, L. (expected 2024)
- Hartman, D. (expected 2024)

Doctoral Committee Member, Ohio University

- Andrew Frisbie (expected 2020)
- Yadong Ji (2020)

- Valerie Rubinsky (2019)
- Jen Seifert (2016)
- Abdulwahab Alsulami (2015-2016)
- Chikondi Khangamwa (2018)
- Elizabeth Jenkins (2017)
- Nicole Hudak (2016)
- Valerie Rubinsky (2016)
- Andrew Menatti (Psych., 2015)
- Melissa Weller (2016)
- Erin McAloon (2015)

Master's Advisor, University of Illinois

- Monét Tchamdjoci (expected 2024)
- Maeve McGuire (expected 2024)
- MJ Salas (expected 2023)
- Jenny Mai (expected 2023)
- Sarai Navar (HCOM online program, expected 2023)
- Karin Bilich (HCOM online program, expected 2023)
- Sara Babu (2022)
- Shawn Meyer, (HCOM online program, 2022)
- Laquetta Rouser, (HCOM online program, 2022)
- Alexis Attinoto (HCOM online program, 2022)
- Kenna Coleman (HCOM online program, 2021)

Master's Advisor, Ohio University

- Michelle Acevedo-Callejas, (M.A., 2015), Stress and coping with partners' mental health
 - Pennsylvania State University Communication PhD Student

Master's Committee Member, University of Illinois

- Jia Yan (2022)
- Nicole Zenzola (2022)
- Sydney Luk (2023)

Master's Committee Member, Ohio University

- Taylor Agler, (2018)
- Jessica Weaver (2018)
- Lauren Dickey (2017)
- Dava Greenlee (2017)
- Josh Brown (2016)
- Tashia Martin (2016)
- Katie Holmes (2015)
- Robin Flynt (2015)

INVITED LECTURES AND TRAINING

Planning Qualitative Interviews

Qualitative Research Methods (COMX 561), University of Montana, March 2023.

Women's Experiences of Communicative Disenfranchisement

Interpersonal Health Communication (COM 498), North Carolina State University, February 2023.

Diversity, Equity, and Inclusion in Patient Care. Carle OB/GYN Residency Program, 2022-2023 (quarterly).
